

Revista Iberoamericana de Tecnologías del/da Aprendizaje/Aprendizagem (IEEE-RITA) A Latin-American Learning Technologies Journal Fourth Issue (Volume 3, Number 1) Now Available

THE IEEE TRANSACTIONS ON EDUCATION is pleased to announce the publication of the fourth edition of IEEE-RITA, an electronic journal issued by the Spanish Chapter of the IEEE Education Society through the Chapter's Technical Committee of Accreditation and Evaluation (CTAE). The publication is supported by the Spanish Ministry of Education and Science through complimentary action TSI2005-24068-E. The publication is electronic, and is published in Spanish and Portuguese, with abstracts and index in English.

IEEE-RITA was approved by the Administrative Committee of the IEEE Education Society in its meeting of 19 June 2006 as a pilot: 1) to demonstrate new ways of providing information and knowledge to non-English readers and 2) to collect data on potential reading interest. Approval by the IEEE Technical Activities Board and the IEEE Publication, Services and Products Board is currently pending.

The journal can be found online at <http://webs.uvigo.es/cesei/RITA/en/>
